/City/, /State/ /Zip/

Dear /First Name/,

In these times when the world feels increasingly fragmented, the mission of Catholic Charities stands as a beacon of unity and hope. Our recently launched **We Are There** public awareness campaign is not just a slogan; it's a commitment to action, a pledge to be present for those in dire need, and a call to arms for those who can make a difference.

Your support has been the cornerstone of our ability to reach out and make a tangible impact in the lives of thousands. Last year, thanks to your generosity, we were able to assist over 19,200 individuals and families, providing them with the essentials to not just survive, but to thrive. Your contributions have fueled programs that offer sustenance, shelter, companionship, and a path to recovery for many.

As we forge ahead, the challenges grow, but so does our resolve to meet them head-on. Your continued support is vital in this endeavor. It enables us to maintain and expand our services, to be a reliable source of aid, and to embody the spirit of our campaign – **We Are There** – in the most practical and compassionate ways.

Your donation is more than just financial aid; it's a lifeline to those on the edge, a message of solidarity, and a testament to the power of collective goodwill. It allows us to say with confidence to those we serve: You are not alone; we are here for you.

In the spirit of our campaign, we ask you to stand with us once again. Your gift, no matter the size, contributes to a greater good that extends far beyond the immediate horizon. It's an investment in a future where no one is left to face life's storms alone.

Please consider making a donation today. Your generosity will echo through the lives of many, reinforcing the message that wherever there is despair, **We Are There** to bring hope; wherever there is suffering, **We Are There** to bring relief; and wherever there is loneliness, **We Are There** to bring companionship.

Peace,

Shawn Carney
Executive Director
Catholic Charities Diocese of Madison

Every year, rain or shine, hundreds of Catholic Charities Diocese of Madison staff and volunteers in South Central Wisconsin bring comfort, relief and hope to more than 19,200 vulnerable people, regardless of their faith. ▶
